

REMARKS/ARGUMENTS

Claims 1-40 and 48-54 remain in this application for further consideration. The claims have been amended to remedy several typographical errors. The claims have also been amended in light of a recent examiner interview. No new matter has been added.

I. Examiner Interview Dated April 10, 2006

An interview with Examiner Shortledge was held on April 10, 2006. During that interview, applicant's attorney discussed the general applicability of the cited reference as it relates to the claims. The amendments herein are in light of the April 10th interview.

II. Rejection of Claims 1-40 and 48-54 under 35 U.S.C. §103(a)

Claims 1-40 and 48-54 are rejected under 35 U.S.C. §103(a) as being unpatentable over U.S. Patent No. 6,623,529 issued to Lakritz (hereinafter "Lakritz"). In light of the interview held April 10, 2006, the claims have been amended as set forth above. As discussed in the April 10th interview, at least some of the elements of the independent claims have been amended to include an association with the multi-language device. Applicant believes that the claims as amended are not taught or otherwise suggested by Lakritz.

III. Request for Reconsideration

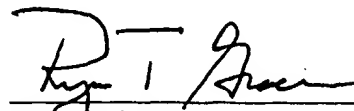

In view of the foregoing amendments and remarks, all pending claims are believed to be allowable and the application is in condition for allowance. Therefore, a Notice of Allowance is respectfully requested. Should the Examiner have any further issues regarding this application,
